Reflections Review

We had a small turnout for our first year, but a turnout nonetheless. There were 5 entries in photography, 9 entries in visual arts, and 1 entry in literature. The top 4 in each category were forwarded on to the county level. Results from county are expected soon.

Shoparoo is a free app that you load on your phone. Once you download the app and set your account up, you shop at any store, you go to the app, take a photo of your receipt and you will get points based on the dollar amount of your purchases. Some stores count points and others count entries for a monthly contest. Be sure to select SMS PTSA as your organization! Southampton Middle School PTSA gets a check based on your receipt totals. How easy is that? Please consider adding SHOPAROO to your phone!
